Service Member & Family Programs

Family is critical to readiness and retention.

The Idaho National Guard provides assistance to all Service Members (SM) & Military Families, regardless of branch or component and status, who find themselves beyond the support capability of active duty military facilities or their home units.

Vision: An enhanced quality of life and resiliency for Military Service Members, their families, and the communities in which they live.

Mission: As the Guard & Reserve faces unprecedented increases in military activity and extended deployments, it is imperative to ensure that families are prepared for the stresses of deployment and supported throughout the entire deployment cycle.

The Idaho State Joint SM & Family Programs acts as a network that allows SM & Families to mutually support one another. By providing SM & Families with information, education, resources, and support, the program strengthens both the unit and service member. SM & Family Programs helps ensure communication with one another and that no SM or Family “falls between the cracks.”

The information in this packet includes the IDARNG, community, and web resources that are available to support veterans and their families

Education

The IDARNG Education Office assists soldiers with pursuing their civilian higher education goals and promotes life-long learning by administering a number of different programs including GI Bill, Tuition Assistance and CLEP testing.

IDARNG soldiers may qualify for up to 4 different GI BILL programs with various payment rates, depending on their enlistment and deployments.

For more information on applying for GI Bill benefits visit the GI Bill website listed below.

Federal Tuition Assistance will cover 100% of tuition and fees up to \$250 per credit hour with an annual maximum of \$4,500 per year. FTA requests are approved on a first-come, first served basis and are only available as long as funds are available. Most IDARNG Soldier's in good standing may use this benefit.

CLEP testing is a quick way to earn college credit and get a head start on a college degree. CLEP tests are offered free of charge to service members. CLEP exams are offered at Mountain Home AFB, Boise State University, and the University of Phoenix.

Yellow Ribbon Program

Mission Statement:

The Yellow Ribbon Program is poised to provide sufficient information, services, referral, and proactive outreach opportunities for Service Members and their families throughout the deployment cycle.

No one should embark on a deployment or see a loved one deploy without first knowing the benefits, resources, and contacts to navigate the deployment cycle. This is the philosophy of the Yellow Ribbon Reintegration Program, a legislatively mandated program that helps Service Members and their Families in the National Guard connect with their local support community before, during, and after deployments.
